MADHYA PRADESH CRICKET ASSOCIATION, INDORE

UNCONFIRMED MINUTES OF ANNUAL GENERAL BODY MEETING HELD ON 22nd AUGUST 2010

A meeting of the General Body of MPCA was held on Sunday 22nd Aug' 2010 at Usha Raje Cricket Centre at 12.00 noon.

The President, Shri Jyotiraditya M. Scindia presided over the meeting.

197 members registered their attendance for the meeting.

Before taking up the meeting agenda, the President requested the house to pay homage to the members of MPCA who left for their heavenly abode during the last year, as listed under –

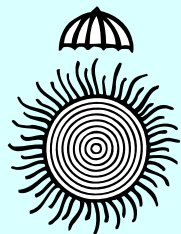

- i. Late Shri Noshirwan Godrej (Played for the state)
- ii. Late Shri K.K.Shah,
- iii. Late Shri Ravi Borgaonkar,
- iv. Late Shri Mahendra Mahajan and
- v. Late Shri Mahendra Kumar Badjatya

Shri Jyotiraditya M. Scindia extended a warm welcome to the members and spoke about the attainments of MPCA during the last year.

The President expressed his sincere thanks to Shri Dilip Chudgar, immediate past CEO of MPCA, for his yeomen services towards the administration of MPCA in an effective and efficient manner during his tenure as a CEO. He also informed the house about the newly appointed CEO, Shri Rohit D. Pandit.

The President further appreciated the performance and achievements of MPCA junior teams and congratulated the players and the team officials. He expressed that our Senior team (Ranji team) was unfortunate not to reach the semi-finals, as most of the matches in which our team was well placed were curtailed / abandoned due to rains.

Naman Ojha, Mohnish Mishra and Harpreet Singh were our star achievers for the session 2009-10. Naman is the first player from the state to represent India in a T-20

International match. Naman, Mohnish and Harpreet played in IPL-III. Mohnish also represented Central Zone in the Duleep & Deodhar Trophy Tournaments.

The President congratulated the organizing committee and the Gwalior Divisional Cricket Association for the successful conduct of the One Day International match between India and South Africa, played at Gwalior on 24-2-2010. He praised the efforts and contribution on part of the organizing committee members for their tireless work citing that the match was allotted at a very short notice. Creating a place in history of ODI, this match provided amazing entertainment to the spectators when Sachin Tendulkar became the first cricketer to score a double hundred in ODI. Thus, MPCA is goldenly associated with two landmarks in Sachin's playing career – First when he scored his ten thousandth ODI run at Indore (2001), the second being his double century in ODI played at Gwalior (2010).

Speaking about the MPCA cricket stadium in Indore, he proudly informed the house about the praises that are showered on MPCA management for constructing one of the best cricket stadiums in India and that too with the least costs involved. The construction of the administrative building is on and would be completed in the next year.

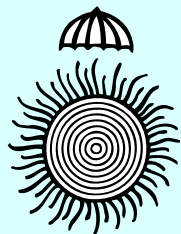

The President recommended to the house about the proposal of the Managing Committee, that in light of the contribution from the great Holkar cricketers and the patronage of the family, the MPCA Cricket Stadium should be christened as 'HOLKAR STADIUM'.

The President also referred to the Managing Committee's proposal to form a committee under the Chairmanship of Prof. Chaturvedi to consider the matter of naming the pavilion, dressing rooms, porticos, various gates etc., in the honour of our cricketers and administrators who have contributed towards the development of MPCA.

The house unanimously approved the two proposals.

The President mentioned about his vision for the development of cricket in MP, which, in a nutshell, revolves around strong talent scouting systems, contemporary coaching, a professional work environment and continuous infrastructure development.

He appreciated the efforts on part of the management for the journey to achieve the desired structure which is essential to execute the vision towards fulfillment of organizational goals.

The President mentioned about the highlights of the budget, and one of the salient feature, which is in line with our vision and a part of our players development process, is the tour of our team to Australia to compete in practice matches, engage in contemporary training etc. It is imperative for us to provide such kind of exposure to our players ahead of the Indian domestic cricket season. The members appreciated the concept and extended best wishes to the team.

In respect of creating infrastructure at the divisional level, he informed the house that MPCA has purchased land for cricket grounds at Sagar & Jabalpur and efforts are being made to procure land at Gwalior & Ujjain. In this regard, he has also pursued with the State Government for allocation of land in Indore. The Committee has proposed to allocate, to begin with, a fund of Rs.10 crores for this purpose during this financial year.

The President further referred to the ultra-modern fitness equipment that we have purchased for our Gymnasium, which are worth Rs. 75 Lacs (approx.). With this addition, ours could be one of the best available gymnasiums in India. In the near future, an additional gymnasium will be set up for our Life Members.

Concluding his Presidential address, he referred to an article, published in one of the leading dailies- The Hindu, that praised the efforts of MPCA for its human resource development process

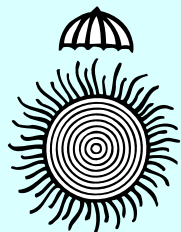

Thereafter, Shri S.C. Malhotra, speaking on behalf of the Holkar family, reminisced the early days of the association and said that after a long journey the association has now reached a respected stage due to the efforts from all members of the association. He appreciated the infrastructure development work undertaken by MPCA, congratulated and expressed his confidence in the current management team, which in his opinion should be allowed to continue with its stellar work and contribution.

He also expressed thanks on behalf of the Holkar family for the love and affection bestowed upon the Holkars by naming the stadium in memory of Holkar cricketers and the family.

Thereafter the agenda was taken up for discussions.

1. To confirm the Minutes of the Last Annual General Body Meeting held on 17th August 2009.

The minutes of the meeting were confirmed, as proposed by Shri Milind Kanmadikar and seconded by Shri Vijay Nayudu.

2. Adoption of annual report of 2009-2010

Praising the compilation of information, the house adopted the annual report, as proposed by Shri Kamal Shrivastava and seconded by Shri S. Gulrez Ali.

3. Consideration and approval of audited statement of accounts for the year 2009-2010

Shri Kamal Shrivastava raised the issue about Indore being sidelined and Gwalior receiving extra attention. Also the issue about the rotation of ODI matches between Indore and Gwalior was raised.

On this, the Chairman specified that the rotation of matches is as per the tradition and is in place for last many years.

The President condemned this negative line of thought and assured the house that this is MPCA and not a Divisional Association. Each Division must be cared for and he has never thought of a preferential attitude towards or against any of the Divisional Cricket Associations.

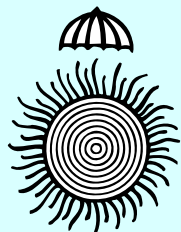

MPCA has created one of the best cricket stadiums in India in a sum of forty crores, and that is in Indore. On the other hand, the stadium at Gwalior is a thirty year old depreciated asset which needs regular investment for its maintenance.

The luxurious gymnasium is in Indore. The cricket academy is established in Indore. Even if one goes to the extent of equating the strength of membership from these two cities, Gwalior has only two life members while Indore has almost one hundred and ninety.

As a matter of fact, if there has been any kind of favouritism, it is in favour of Indore and that he is proud to be associated with this line of action as Indore is the seed of cricketing history in Madhya Pradesh.

He has always taken efforts to ensure the emergence of Indore as one of the best cricketing centres, harkening back to its old glory.

The populous auditorium echoed his views and expressed appreciation over his fair management.

Next, the General body, being satisfied with the President's elucidation on certain other queries raised by the members, unanimously approved the audited statement of accounts for the year 2009-2010, as proposed by Shri Subhash Bais and seconded by Ms. Chandra Nayudu.

4. To consider and approve the proposed annual budget for the year 2010-2011

The proposed annual budget for the year 2010-2011 was approved unanimously, as proposed by Shri Bhagwandas Suthar and seconded by Shri Sanjeev Rao.

5. Appointment of Auditors for 2010-2011

M/s Anil Kamal Garg & Co. Chartered Accountants, were appointed as the auditors for the year 2010-11, as proposed by Shri Dilip Chudgar and seconded by Shri Rajendra Rajguru.

6. Election of Office Bearers and members of the Managing Committee

On this agenda, Justice P.D. Mulye requested permission from the President to allow him to express his thoughts, which was granted. Justice Mulye put forward his views that the current management team has done a tremendous job for cricket in MP, and must continue unanimously so as to carry on their wonderful work.

Thereafter, Prof. Chaturvedi addressed the house.

After this, Justice P.D. Mulye proposed the name of Shri. Jyotiraditya M Scindia for the post of President. Shri Sanjay Jagdale seconded the proposal.

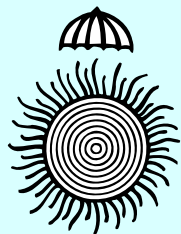

Shri Ashok Jagdale proposed the name of Shri Kailash Vijayvargiya for the post of President. Shri Ramesh Bhatia seconded the proposal.

Subsequently, verbal proposals were received for all the nine posts of Office Bearers and eight posts for the members of Managing Committee.

The President then announced the elections and appointed Shri Dilip Chudgar as the election officer to conduct the election process.

ANNUAL REPORT 2010-11

2010-11 was a tumultuous year for Madhya Pradesh Cricket Association. A year which started with the first ever 'elections', also had plethora of off the field activities as well as some very good performances by the players, particularly the senior team, which not only finished as runners up in the T20 tournament but also qualified for the elite group of the Ranji Trophy. The year also marked the arrival of the Indian Premier League to the state.

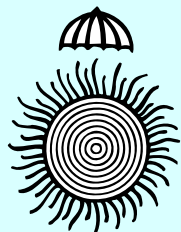

I would start by remembering those who are no more with us. I mourn the untimely demise of our former Vice President Dr. Shafquat Mohammad Khan who served the Association with great dedication and distinction. I also remember our life members - Shri Dwarkadas Mangal, Shri Jagdish R Patel, Dr. R.S. Gokhale and Shri Vinayak Dattatray Bederkar whose demise has left us shocked. I also pray for all the cricketers and eminent personalities who left us for heavenly abode during the last year.

Ranji Trophy : It was a heart warming performance by the senior lads of Madhya Pradesh who fought their way back to the Elite Group through some excellent performances. In fact our team could have made it to the semi final of the Ranji Trophy had it not been for one bad period of play against Karnataka.

Placed in Plate Group 'A', MP started the season with a draw against Goa. The bowlers struggled to bowl out Goa in the second innings and the match ended in a draw. In the second match M.P. defeated Tripura by an innings and 156 runs. Fast bowler T Sudhindra (with a match haul of 10 wickets) and Naman Ojha-Mohnish Mishra (with centuries) contributed handsomely. Rain played the spoilsport against Rajasthan in the third match. Rajasthan made a huge score of 523 which MP looked like chasing down when time ran away. Veterans Abbas Ali and Bundela scored centuries while Jalaj Saxena missed his ton by 4 runs. Amit Sharma had his first five wicket haul in only his second match.

MP needed an outright victory against Jharkhand to keep their chances of qualifying alive, This, they achieved through the fast bowling trio of Sudhindra, Amit Sharma and Anand Rajan. Rajan contributed with the bat too, scoring 84 as night watchman in a 186 run stand with Bundela (145). The match against Hyderabad was also affected by rain and was undecided. In the time available, Mohnish Mishra (214) and Bundela (121) shared a partnership of 201 runs.

MP qualified for the knock out (thus securing a place in next year's Elite Group) of the Ranji Trophy, after beating Andhra by 9 wickets in the plate semi final largely through Harpreet Singh Bhatia's maiden first class hundred and the bowling effort of Anand Rajan. Naman Ojha

(102 n.o) and Mohnish Mishra (75 n.o.) contributed in the second innings chase. In the quarter final, MP had a home tie against fancied Karnataka and started well but a sudden collapse saw them slide from 89 for 1 to 125 for 6 on day one. MP lads still made Karnataka fight every inch, eventually losing by 5 wickets.

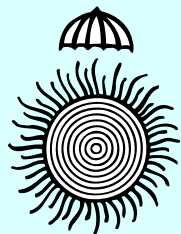

The efforts of the team need to be praised. Skipper Devendra Bundela, who became the first player from MP to get three consecutive hundreds, led from the front. Naman Ojha (625 runs) and Mohnish Mishra (602 runs) also contributed with the willow. In the bowling department T.Sudhindra (25 wkts), Amit Sharma (18 wkts) and Anand Rajan (21 wkts) took the responsibility. Ankit Sharma and Harpreet Singh Bhatia too showed glimpses of their immense talent.

T20 Syed Mushtaq Ali Trophy : The seniors performed admirably to finish runners up in this tournament losing to Bengal by just one run in an exciting final. We started by defeating Uttar Pradesh by 5 wickets chasing down 186 runs after losing three wickets for 19 runs. This match was followed by an exciting tie against Vidarbha, which resulted in the one over eliminator being played, which we lost. We then defeated Rajasthan by 66 runs and Railways by 9 wickets to qualify for the knock out. In the quarter final MP beat Orissa by 8 wickets.

The semi final match was exciting. MP crossed Haryana's low score of 115 off the penultimate ball with two wickets in hand. MP required just 12 runs in the last three overs with 5 wickets in hand but made heavy weather of it. The story was repeated in the finals but the result reversed. Chasing Bengal's 142 we needed 12 runs of the last 9 deliveries but could get only ten and lost by just one run. It was a great effort by the boys. Harpreet Singh (202 runs), Murtuza Ali and Mohnish Mishra (164 runs each) with the bat and T. Sudhindra and Anand Rajan (14 wickets each) with the ball were the main contributors.

Vijay Hazare Trophy One Day Tournament : Much was expected of our one day team after last years performance, but the team could not get its bearings consistently. The boys lost to Vidarbha by 8 wickets in the opening match and to UP by 3 wickets in the last match. In between we defeated Railways by 7 wickets and Rajasthan by 105 runs. But the loss against Vidarbha in the first match hurt us the most. From 115 for 1 in 22 overs, MP collapsed to 157 all out in 39 overs. Young Udit Birla however played well and followed up with a good innings in the Deodhar Trophy.

U-22 C.K.Nayudu Trophy : The immediate supply line of M.P. cricket had a disappointing season. We managed to get just two points from the four matches we played. We lost to Baroda and Tamil Nadu and just about managed to draw against Saurashtra and Punjab. The bowlers

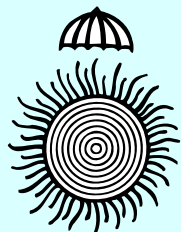

conceded more than 400 runs against Saurashtra, Punjab and Baroda while the batsmen struggled to get 300 runs in any innings except one inconsequential effort against Punjab. Of the bowlers Ishwar Pandey and Asif Ali had one five wicket haul each. Himalay Sagar, Anand Singh and Varunesh Sharma got individual hundreds. But as a team, the performance was below expectations.

U-19 Cooch Behar Trophy : Playing in Elite Group, the Madhya Pradesh boys faced tough opponents in all the matches they played. They started the campaign against Punjab and conceded the lead to them despite scoring 363 for 6 declared. Vikrant Singh played a marathon innings of 176 n.o. and Avnish Dhaliwal scored 96. In reply Punjab managed to get a lead of just one run. The next match was against Jharkhand. In a low scoring match MP scored 114 and 94 while Jharkhand made 105 and 107 for 6, to win by four wickets. Tanmay Patwardhan took 5 wickets in first innings but lost the steam in the second. The next match was against strong Tamil Nadu who beat us convincingly by 171 runs. Avnish Dhaliwal's century in the second innings was the only saving grace for our team. Tanmay Patwardhan again bowled his heart out claiming 10 wickets in the match for just 92 runs.

We required the first innings points against Bengal to stay in the elite group which we managed to get. Bengal made 438 and our team replied strongly with 545 for 5. Avnish Dhaliwal and Shubham Sharma scored big centuries in a partnership of 297 runs. We thus managed to keep our place in the elite group, but considering the talent in the team, we could have performed much better. Barring Avnish Dhaliwal (368 runs) and Tanmay Patwardhan (19 wickets), the rest of the performances were below par.

U-19 One Day Vinoo Mankad Trophy : The Central Zone League phase of this tournament was hosted by MPCA at Indore. MP qualified for the knock out after a gap of few years. We started badly against Rajasthan losing by 7 wickets in a one sided match. We improved our performance in the next match, defeating Vidarbha by 4 wickets, followed by an excellent win against Uttar Pradesh. In the last match MP overwhelmed Railways by 10 wickets to complete a superb come back.

In the knock out phase played at New Delhi, MP defeated Karnataka by 2 runs in an exciting quarter final largely due to the efforts of Ashutosh Singh (86 n.o.) and the bowlers who defended a low score of 236. The team ended its campaign with a disappointing performance, losing to Punjab by 177 runs in the semis. Ashutosh Singh (266 runs), Shubham Sharma (194 runs), Avnish Dhaliwal (162 runs) and Vikrant Singh (148 runs) came up with some good performances on the batting front. Ayaan Khan (12 wkts) and Mayank Jain (11 wkts) were the successful bowlers.

U-16 Vijay Merchant Trophy : After qualifying for knock out on two successive occasions the young stars of the state could not find the bearings in the Central Zone league. They conceded the first innings lead in all the three matches they played, starting with Vidarbha and followed by Rajasthan and Uttar Pradesh. Shivam Tiwari was the only player who could contribute. He scored a hundred against Rajasthan and 50's against Uttar Pradesh and Vidarbha. He also took 9 wickets.

Senior Women's One Day : MP qualified for the knock out, but came up croppers in the super league stage. In the Zonal League MP defeated Uttar Pradesh and Rajasthan but lost to Railways and Vidarbha. They qualified by virtue of net run rate. In the Super League MP faced Punjab, Mumbai and Karnataka and lost to all of them. The match against Karnataka was closely fought. MP failed to chase the target of 198 by just one run. MP required 5 runs in the last over but could not get them. Varsha Choudhary (213 runs) and Shweta Mishra (179 runs) were the top run getters while Ranjana Gupta (15 wkts) and Shyla Alam (14 wkts) were successful with the ball.

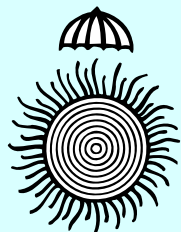

Senior Women's T20 : It was almost the repeat of the one day tournament in the zonal league stage. This time MP defeated Vidarbha and Rajasthan but lost to Railways and Uttar Pradesh. The net run rate could not help us to qualify. Varsha Choudhary (149 runs) continued her good performance. Only Ruchita Buley (96 runs) could support her.

Girls U-19 One Day : The young girls of the state could not perform up to expectations. They started well against Rajasthan but then lost badly against Uttar Pradesh and Vidarbha. Ritika Buley bowled well to take seven wickets.

BCCI Tournaments : The MPCA had the honour of staging two of India's premier tournaments this year. The N.K.P. Salve Challenger Trophy was held from 8-11 October 2010 at Indore. India Blue, India Red and India Green participated in the event. Some of India's best young talent played in the tournament. India Blue defeated India Green by 140 runs to win the final and championship.

The knock out phase of Vijay Hazare Trophy One day Tournament was held from 25 Feb to 1 March 2011, also at Indore. It threw up many astonishing results with Jharkhand surprising one and all to clinch the crown beating Gujarat. Vidarbha also played well before falling to Jharkhand in the semi final. MPCA took the initiative of organizing the final under lights. As a special gesture, we also gave a special prize of Rs 25000- to the man of the match Shadab Nadeem for his match winning performance.

Indore also hosted the U-19 One day Central Zone league. We also hosted the matches of

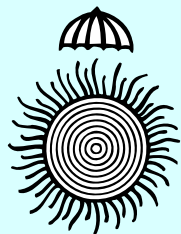

other BCCI tournaments, which are allotted on home and away basis. These matches were played at Indore, Rewa and Gwalior.

IPL Matches : Indore played home venue to the Kochi Tuskers Kerala , bringing the IPL to the state with all its razmattaz. There was huge interest in the state for the colourful event. Kings XI Punjab beat Kochi Tuskers Kerala in the first match while Kochi Tuskers Kerala triumphed over Rajasthan Royals in the second match. The event was a great success. The team franchisee expressed their pleasure with the efforts of the association in making the two games successful. We hope that our association with the franchisee continues in the years to come.

Land Development : The development work of the ground at Sagar is in full swing and the ground has begun to take shape. The division staged Inter Divisional matches on the newly laid turf. The pitch was found to be perfect by the players as well as the match observers. Work on laying turf on the outfield will be taken up soon. MPCA is making efforts to purchase land for other divisions also. Meanwhile, Jabalpur's Ranital Ground has received BCCI approval for organizing BCCI matches and we have allotted two matches to them for the season 2011-12.

Raw Talent Scouting Camp : In an effort to find the best of talent available in the state, particularly in the remote areas, MPCA organized talent scouting camps in all the divisions. The motive behind this initiative is to enhance our scope to small places and to ensure that the best of talent is not deprived because of lack of opportunities or for want of facilities. Our talent scouts led by Shri Vijay Nayudu, Shri Sanjay Jagdale, Shri Amay Khurasiya, Shri Mukesh Sahani, Shri Nitin Kulkarni, Shri Sunil Lahore, Shri Rajeev Dua, Shri Vinod Narang and others went from place to place in search of raw talent for over two months and finally shortlisted about 25 boys. Some of the boys have been invited to the residential academy and will be admitted, subject to their parents consent. Some other boys have been entrusted to the divisions for continuous training. We are sure that with proper nurturing, some of these boys will be the champions of tomorrow.

MPCA Residential Academy : The functioning of our academy at Indore has already been streamlined under the able guidance of chief coach Amay Khurasiya. Now, a residential academy for talented cricketers is proposed in the ensuing months. The main objective behind the concept is to upgrade the skills of the potentially talented cricketers in the state and extend regular mentoring facility so that the players blossom at the right age. This will also provide competitive exposure to the talented youngsters and augment their development process. The scheme also aims to enhance the performance of the cricketers to continue their school / college studies along with the cricketing lessons. The expenses towards providing the education will also be borne by MPCA.

The academy will provide sustained training to budding cricketers and will also take care of their nurturing, to shape them as responsible citizens. This will give the players an opportunity to sharpen their skills under watchful eyes of reputed cricket coaches and support staff, who shall utilise the most up-to-date methods and contemporary techniques of cricket coaching and other related aspects. We hope that this endeavour of ours will make available a wide-range pool of talented cricketers who can act as buffer for the various teams of MPCA.

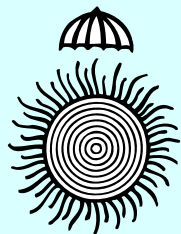

The finer details of this academy have already been worked out. A player selected under the scheme shall be provided with regular cricket coaching, systematic fitness management, specific nutrition, regular health check up, schooling and purposeful recreation. The cost of all the above activities shall be borne by MPCA. 18 boys from the state will be provided the hostel facilities. The project will cost MPCA approx Rs. 50 lacs per year.

Gymnasium and Recreation Facilities for Members : The association dedicated one gymnasium with state of the art equipments exclusively for our honorable members. A billiards table, two table tennis tables, and two carrom boards have also been put up in the recreation room for the use of members and cricketers attending camps. The facilities were inaugurated by our President Shri Jyotiraditya M Scindia in the presence of former world table tennis champion Peter Karlson and former Indian table tennis stars Kamlesh Mehta, Jayesh Acharya and Rinku Acharya.

Gymnasium for Players : The gymnasium for players has been refurbished with state of the art equipment costing Rs 90 lacs. Out of these, equipments worth Rs. 20 lacs are based upon pneumatic system. MPCA is probably the only association in the country to provide this type of equipment to its players.

Awards & Accolades : MPCA honored its achievers of the season 2010-11 in a simple, yet graceful ceremony on 4th April 2011. Our Men's Senior, Boys U-19 and Women's senior team were rewarded for their consistent performance in the BCCI tournaments during the season 2010-11. The Senior Team was presented with a prize of Rs 7.5 lacs for getting elevated to the elite group and Rs 2.50 lacs for finishing runners up in the Syed Mushtaq Ali Trophy T20 tournament. The U-19 team were awarded Rs 2.00 lacs for maintaining a place in the the elite group and an equal amount for qualifying for the semi final of U-19 one dayers. The women's team were presented Rs 85000/- for qualifying for the knock out phase.

A special award of excellence (Rs 50000/-) was given to Devendra Bundela on becoming the first MP cricketer to play in more than 100 first class games and scoring maximum runs for our team. T. Sudhindra was awarded the prize for the best senior cricketer for 2010-11, while

Avnish Dhaliwal got the prize as the best junior cricketer 2010-11. Both of them got the Late Madhavrao Scindia award, a cash prize of Rs 25000- each.

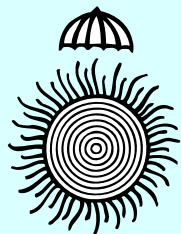

The association also felicitated Shri Sudhir Asnani on 2nd July 2011 for his elevation to ICC's International panel of umpires.

Roll of Honour : The roll of honour was unveiled by our President Shri Jyotiraditya M Scindia on 2nd July 2011. The names of the players from the state who have played more than 75 Ranji matches, our International Umpires, MPCA Presidents and MPCA Hon. Secretaries, are displayed with pride.

Preparatory Tours : The association organized overseas tours to give exposure to our cricketers. The Ranji team was sent to Australia last year and performed admirably. We played a total of six matches including One Day, T20 and Two Day matches against local sides in Canberra and Sydney. The team maintained an unbeaten record winning all the six matches it played. Mohnish Mishra and Anand Singh scored individual hundreds.

The U-19 cricketers undertook a four week tour of Sri Lanka from 9th May to 6 June 2011. Our team played 6 limited over matches and 3 four-day games against the Sri Lankan counterparts. It is important to note that our boy's played against the best talent short listed by Cricket Sri Lanka as a part of their process to select National side for the forthcoming U-19 World Cup. This suggests the quality of competitors that our boys played to sharpen their skills. Our team performed exceedingly well in all the matches and we won 5 out of the 6 limited over games and won all the three multi day games. Some of the players were even invited to play in Sri Lanka for local clubs. Shubham Sharma and Tanmay Patwardhan gave some sterling performances, while one of Shantanu Triparthi's innings also came in for praise. These consistent performance will definitely help to boost the morale of our team and act as a catalyst in the process of players development.

The U-16 team has undertaken a tour of United Kingdom in July-Aug 2011 as a continuation of our policy. We played eight matches and won five of them. Players got experience to play against alien opponents in tough climatic conditions. This exposure at an early stage should help them attain considerable maturity to face the tougher tasks ahead. Besides these tours, our exchange programmes with other states continue. Our U-16 team played against Maharashtra in Maharashtra and against Mumbai in Mumbai. The U-19 team played against Maharashtra at home and played against an Australian Academy team at Jaipur. Our U-22 team played in ACA invitation tournament at Anantpur finishing runners up. The U-22 side also played against Chattisgarh at Home and in a tournament at Mumbai. The senior team

played in the Buchi Babu tournament at Chennai. Our women's team played five one day matches against Mumbai at Gwalior. It is also proposed to send the senior team to Sri Lanka very soon. We hope that the players will benefit from playing in different environments against varied opposition.

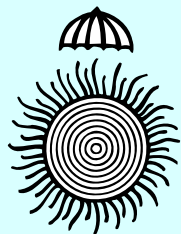

Benevolence Scheme : In order to honour the players and umpires for their contribution to cricket in the state, the association has initiated a benevolent payment scheme for them. Those who are not getting any help from the BCCI get the benefit of our initiative. The players who have represented the state in Ranji Trophy will be offered Rs 3000, Rs 5000 and Rs 7000 per month based on the number of matches played by them. State panel umpires will get Rs 3000 per month while BCCI panel umpires will get Rs 5000 per month after they retire from umpiring upon reaching the stipulated age.

Initiative for U-14 Tournament : The Madhya Pradesh Cricket Association has taken the lead for organizing a tournament for U-14 for teams from Central Zone. The first such tournament will be organized by us and will consist of two day matches with a final played over three days. Our proposal, that this tournament should be organized on rotation basis by the states has been agreed by all. Apart from our team, Rajasthan, Vidarbha and Uttar Pradesh will participate in the tournament. The tournament will be named after Late Shri Raj Singh Dungarpur as a tribute to the great personality.

Incentive Scheme for Divisions : We have launched a comprehensive scheme for incentive to affiliated divisions based on their activities. Points will be awarded on different parameters like performance of teams/players, financial management, timely submission of information and other aspects. We hope that this will help in streamlining the activities of the divisions as also create a competitive atmosphere amongst them.

Naming Ceremony : Our stadium at Indore was christened as Holkar Stadium on the 10th October 2010. The unveiling of the new name took place at the august hands of our President Shri Jyotiraditya M Scindia and Indian star Yuvraj Singh in presence of honorable members of the association. We acknowledge the huge contribution of the Holkars in shaping the game in the Madhya Pradesh. The name of Holkars is synonymous with the game in the state and we have proudly shunned the option of taking the commercial route in this matter. We are also planning to honour other eminent cricketers of the state by naming various stands and other properties at the stadium after them.

New Life Members : We welcome the new members to the MPCA fold. Shri Jyotiraditya Scindia, Shri Mahendra Singh Kalukheda, Shri Kamal Shrivastava, Shri Kapil Fouzdar, Shri

Seminars, Courses and Camps : The association took lead in organizing various courses, seminars and camps throughout the year. Preparatory camps were organized for all teams before the tournaments. MPCA hosted a month long NCA camp for Central Zone women cricketers. Two seminars (one for seniors and one for juniors) on anti doping procedures was organized for cricketers to educate them on the doping menace. Both these seminars were organized under the expertise of Dr Vece Paes. A two day level “O” course was conducted for trainers and two trainers were recommended for NCA course. MPCA also conducted a two day seminar for our umpires and short listed 25 candidates for appearing in BCCI Level One course to be held shortly. The umpiring course was conducted by BCCI educators Rajiv Risodkar, Sudhir Asnani and Sanjeev Dua with help from Nikhil Patwardhan and Nitin Menon.

Inter Divisional Tournaments : The Inter Divisional Tournaments were conducted as usual and once again threw different winners in different categories proving how the game is spreading in the state. Indore Division emerged winners in three categories but Rewa Bhopal, Jabalpur and Gwalior, too made their presence felt. For the first time ever, MPCA deputed match observers to the venues of matches to oversee various cricketing and other organizational aspects. The women’s tournament saw increased participation this year, with almost all divisions sending the teams.

Sudhir Asnani

Sudhir Asnani's elevation to the ICC's International Panel of Umpires comes as no surprise to those who know him. Ever since he took up umpiring in 1989, everybody thought that he had the potential to go to the top. In fact he was one of the youngest umpires to do a One day International way back in 1998. A very hard working, meticulous and a sincere umpire, Asnani has made us all proud. We wish him all the success in his future international assignments.

A ton of matches

Devendra Bundela being presented with a memento on completing hundred first class matches.

Mention Devendra Bundela in cricketing circles and the word that comes to mind is "style". This right handed batsman of the state is one of the those deserving cricketers who could not make it to the Indian team despite having all the talent and performances to back him. He has been M.P.'s wall ever since making his debut. A very organized, methodical and technically correct batsman, Bundela has served M.P. very well coming to the teams rescue on many occasions with his solid batting. Bundela is the first player from the state to play 100 first class matches. That he is not finished as yet, was proved this season when he scored three consecutive hundreds in the Ranji Trophy and led the team to the elite group. We wish him many more hundreds.

The Six Centurions

It was on 2nd March 1945 that the Holkar's began their innings and on 4th March, the declaration came at a huge 912 for 8. Six men (from top left clockwise) Rameshwar Pratap Singh (100), M.M.Jagdale (164), Col. C.K.Nayudu (101), B.B. Nimbalkar (172), C.T. Sarwate (101) and Kamal Bhandarkar (142) scored centuries and sent the Mysore team on leather hunt at the Yeshwant Club Ground in Indore. There were six centuries and seven century partnerships in the innings. The six centuries in a single innings remains a world record even now. For the record Mysore made 190 in the first innings (C.T. Sarwate 9-61) and 509-6 in the second innings. Interestingly, a portion of the present "Holkar Stadium" formed a part of the Yeshwant Club ground in 1945.

(contd.)

At Indore, March 2, 3, 4, 5, 1945. The match was easily drawn but Mysore still at the cross at the end of the last day succeeded in to make Holkar winners by an innings and 113 runs. Anyhow Holkar would have been declared winners in first innings too. The first night at Holkar's building came up to keep Mysore on the field for two and half days. The Holkar batsmen hit up centuries and hit but the wicket kept and produced century partnerships. Bhandarkar and Sarwate opened with 164 for the first wicket, and Bhandarkar and Jagdale added 111 for the third, also Bhandarkar and Sarwate for just two runs. Jagdale and captain Nayudu, at the age of 50, put on 172 for the fourth, Jagdale and Nimbalkar 118 for the fifth, Nimbalkar and C. K. Nayudu 135 for the sixth, Nimbalkar and Pratapsingh 108 for the seventh and Pratapsingh and Shetty 100 for the eighth. Mysore wilted under the pressure and when they went in to bat leg weary, Sarwate dismissed them for 100 runs, claiming nine wickets for 61 runs, a spectacular around display. Mysore then fought back in the grand manner to make 300 for 4th wicket in the second innings when they declared the innings and gave the match to Holkar. Rajwadekar and Chandekar added 104 for the third, the tenor and Frank 143 for the fourth and Murthy and Govindraj 121 for the unbroken seventh wicket.

Born : 2 March 1954
Died : 21 October 2010

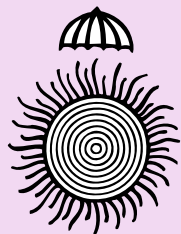

Dr. Shafquat Mohammad Khan succumbed to his fight with illness on 21st October 2010 leaving everybody in MPCA shocked. A man of reason, he was the Vice President of the association for many years. An able cricket administrator Shafquat bhai handled the affairs of Bhopal Cricket association admirably. In fact he was a real sports lover as he was associated with administration of other sports as well. MPCA salutes him. May his soul rest in peace.
