## MP U/23 TEAM

### RUNNER UP OF THE C K NAYUDU TROPHY 2015-16

Heartiest congratulations to our youngsters for being the runner-up of the prestigious 'C K Nayudu Trophy' for the season 2015-16.

The final against Mumbai was a great game to watch. Chasing mammoth score of 577 posted by Mumbai, our team equaled the efforts with a 219 runs partnership between Shubham Sharma and Rajat Patidar, followed by 138 between Ashutosh Singh and Saransh Jain. We were inching closer to the target but eventually could not surpass it.

Before this, our team had clinched three outright victories (Maharashtra, Kerala and Vidarbha). The match against Kerala must have been the most satisfying for the players as it was kind of settling the score against the team that knocked us out of the quarter final in 2014-15.

It was a majestic performance by our team that played as a well-gelled unit till the end and has emerged as role-model. Heartiest congratulations to all players, coach and support staff, the selection committee and all those well-wishers who contributed in this journey.

## President's Message...

Continuing with my earlier write up, I am enormously pleased with the overall performance of our various teams in the BCCI Tournaments for season 2015-16.

Though our U/23 side could not clinch the title, the manner in which we played throughout is a reflection of positive and aggressive mind-set and approach, the two most crucial aspects of cricket in today's scenario. This defeat in finals will also provide an opportunity for the upcoming players to understand what it requires to be champions and where did we fall short. I am confident on potential of our players and their ability to gauge the requirements of the situation to emerge as champions.

Our Ranji Team also reached semi final after a fantastic performance in the league and quarter final. Our team consists many emerging players and for them this season would have provided good exposure and learning opportunity. I congratulate both the teams and wish the players for a bright future in cricket.

The season is over and now everyone is gearing up for the next season. Some of our players have joined other association but we have ample bench-strength to fill up such vacancies. The new entrants should grab the opportunity with both hands and display their prowess for excelling.

BCCI has announced Holkar stadium as the venue for the third Test match of the India - New Zealand series. This is not less than a dream come true for all of us. Your support, contribution and best wishes have made this happen. Hosting a Test match is a premier opportunity for MPCA and if we are able to organise this event successfully the image and reputation of MPCA will enhance manifold. I am sure about wholehearted support from our members, staff, volunteers and all well wishers of MPCA towards organising the Test match with similar efficiency and zeal that was displayed during the four ODI held at Holkar Stadium.

Before this IPL season, MPCA was in reckoning for staging some of the IPL matches. But due to the simhastha it would have been a daunting task for the police and administration to manage the affair. Hence, we had to excuse ourselves from the queue. Nevertheless, it was an excellent IPL season offering a better 'on field' experience due to sporting pitches.

Along with this, we are continuously trying to develop our infrastructure at Divisional level. The work of stadium at Gwalior is moving in right direction, our ground at Sagar is now fully developed and can host BCCI matches with ease, the dressing rooms at Jabalpur ground would be ready in a year and such other works are being taken up simultaneously. Our focus on upgrading quality of pitches continues. We are experimenting with development of two pitches using red soil at Holkar Stadium. If successful, these two pitches would offer a varied condition for practice to our players. Similarly, we have reconstructed pitches at Sagar ground as per the latest BCCI guidelines.

I have always admire the good work being done by our divisional associations who are our pillars of MPCA. I must also mention the enormous efforts taken by the adhoc committee for Bhopal Division for organising plentiful activities for the benefit of players from Bhopal Division.

Having said this, I am equally keen on the progressive steps towards future requirements. The coming days may see some changes in the structure and systems that were a part of Indian cricket. But we have to keep ourselves ready at all times for such changes and I am happy that MPCA has developed a very solid edifice to accommodate such circumstances.

I look forward to your suggestions and support to continue with our aim of strengthening MPCA on a continuous basis.

**Sanjay Jagdale**  
President

MPCA organised a cricket quiz for the members and other close associates of MPCA at Holkar Stadium on 13 April 2016. This was the second leg of such quiz organised by MPCA in recent past. Six teams of zealous participants were superbly managed by Mr. Amay Khurasiya acting as the quiz-master.

BCCI, following its decision to endorse Holkar Stadium with the status of 'Test Centre', announced the allotment of the first Test to MPCA. It will be the third match of the series between India and New Zealand, to be played from 8<sup>th</sup> October 2016 onwards. It will be a historic day for all associates of MPCA who have strived hard for this recognition.

The modification and fine-tuning of our stadium facilities is underway so as to suit the requirements of Test cricket. Equipped with best possible pitches and playfield, infrastructure, organising team and other pre-requisites for hosting the Test match, MPCA is eager to organise this match with all efforts. The BCCI has also stepped in with some initiatives to enhance the spectators attendance during the game. The suggestions given by MPCA have been mostly endorsed at the BCCI and we expect some new features being introduced.

**Jabalpur** : Jabalpur Division took up pilot project of implementing online scoring and integrated statistical display with professional support from a cricket social network service provider. With a positive feedback during the inter-divisional matches played at Jabalpur, JDCA is now planning to introduce this system on regular basis for its domestic matches as well.

# सीजन शुरू होता था

## पिच पर भोजन के साथ

A  
LEAF  
FROM  
THE  
PAST

सन् ४६ का किकेट सीजन मध्यम ही होलकर टीम का स्वर्ण युग था। क्योंकि इस वर्ष उसने न केवल रजी ट्रॉफी जीती बल्कि विश्व क्रिकेट के लिए एक नया कीर्तिमान भी स्थापित किया। 'उम वर्ष-रंजी ट्रॉफी' के सेमीफाइनल मैच में सुसन्तुलित यूमर टीम के विश्व उसने पहले दो दिन में ८ विकेट पर २,१२ रन बनाए। इस दो दिन में होलकर के ६ बल्लेबाजों ने जलतक बनाई थी। ये बल्लेबाज थे- भद्राकर, सरवटे, सी. के. नायडू, निवालकर, रमेशप्रतापसिंह और मी. आज तक समाच में टीम कोई मैच नहीं हुआ हूआ जिसमें टीम के ८ खिलाड़ियों ने एक ही दो दिन में जलतक बनाई हो। पर मजेदार बात तो यह है कि मुश्ताकअली इस मैच में केवल दो ही रन बना सके। जे. एन. भाया जलतक बनाने वाले मानवे बल्लेबाज होने, अगर दौब धोयित नहीं किया जाता। क्योंकि जब होलकर टीम के ८ विकेट पर २,१२ रन बने थे तब कर्नल मी. के नायडू ने दो दिन मध्यम पोंपिन किया उस मध्य भाया ३५ रन पर बेल रहे थे।

सन् ४६ में पटीदी के नवाब के नेतृत्व में भारतीय टीम इंडिया के द्वारे पर गई। इंडिया जाने वाली इस भारतीय टीम में इंदौर के तीन खिलाड़ी लिए गए थे- (१) मुश्ताकअली, (२) सी. एम. नायडू और (३) सरवटे।

(सन् ४६-४७) का सीजन हमने अपनी परपरा के अनुमार पिच पर भोजन करके खेल किया। पाठक जायद यह जानने को उन्मुक्त होंगे कि यह पर्याप्त भोजन क्या है? जिसमें कि सीजन की शुरूआत की जानी थी? इसके पीछे एक लची जान्य कथा है जिसका जन्म उम चीज से हुआ जिसे मध्य जगत में अधिविश्वाम कहा जाना है। उद्धिमान लोग बाहे जो कहे पर हमने नो प्रत्यक्ष अनुभव से यह पाया है कि हमारा विश्वाम (आप जाहे उसे अधिविश्वाम कह लीजिए) हमारे लिए बड़ा कलदायक था। हुआ यह था कि जाने क्या होना और हर सीजन में यशवत क्लब के मैदान पर बेलने वाली टीम में से किसी न किसी को चोट आ जी जानी। एक माल कर्नल मी. के नायडू की अंगुली में फेंक्वर ही गया, दूसरे माल निवालकर के बौए धुटने में चोट आई, तीसरे माल मी. एम. नायडू की बाई कलाई आई, तीसरे माल मी. एम. नायडू की बाई कलाई आई, तीसरे माल ही यही गई। युवा खिलाड़ी सुले का भी यही हाल हुआ। और मैं भी बच नहीं पाया। सन् ४७-४८ में मेंद केंके वक्त मैं गिर गया और बाई कांहनी की हड्डी टूट गई। इस तरह हर माल

किसी न किसी खिलाड़ी को कुछ न कुछ ही ही जाता। अस्तिर इत घटनाओं से तब आकर हमसे से किसी एक ने यह कारणर संझाव दिया कि अगर हम हमारा सीजन चौदानी रात में पिच पर भोजन करके शुरू करे तो ऐसी बोट पहुँचाने वाली घटनाएँ नहीं होती। और विश्वास कीजिए भले ही यह कोई घटना रही हो पर जबसे हमने चौदानी रात में पिच पर भोजन करके सीजन की शुरूआत की उमके बाद ऐसी कोई घटना नहीं होती। और इसीलिए जब तक होलकर टीम रही चौदानी रात में भोजन करके सीजन शुरू करने की यह परपरा बराबर जारी रही।

मैं आपको एक अतरकथा में कहा से कहा ले गया। सन् ४६-४७ में रजी ट्रॉफी में विहार, बंगाल को होलकर और सेमीफाइनल में उत्तरी भारत से बांक ओवर पाकर हम काइनल में पहुँच गए। यह फाइनल मैच तृप्त हमने बड़ौदा के विश्व बड़ौदा में खेला।

इस फाइनल मैच में हम न केवल हारे बल्कि मही कहा जाए तो पूरी तरह से धूले। यह बही मैच था जिसमें बी. एम. हजारे और गुल मोहम्मद ने हमारे विश्व बेल कर ५७३ रन की भागीदारी का विश्व कीर्तिमान स्थापित किया। जाज तक भसार की किसी टीम के खिलाड़ियों ने मिलकर एक दो दिन में इनते रन नहीं बनाए। बड़ौदा की भयंकर गर्भी में हमें दो दिनों तक लगातार फिल्डिंग करनी पड़ी थी।

सन् ४७ में लाला अमरनाथ के नेतृत्व में भारतीय टीम आंस्ट्रेलिया गई। इस टीम में इंदौर से सी. एम. नायडू और मुश्ताकअली को लिया गया था। मुश्ताकअली किन्हीं कारणों से न जा सके और उनकी जगह पर सरवटे ने भारतीय टीम के साथ आंस्ट्रेलिया का दौरा किया।

सन् ४७-४८ में रजी ट्रॉफी में किर होलकर टीम फाइनल में पहुँची। सेमी फाइनल मैच इंदौर में दिल्ली और जिल की टीम के विश्व बेला गया था। लेकिन फाइनल मैच काफी देर से हुआ क्योंकि आंस्ट्रेलिया जाने वाली भारतीय टीम अभी लौट कर नहीं आई थी। अस्तिर मार्च के अंत में इंदौर में होलकर और बचई के बीच यह मैच हुआ और होलकर टीम ने दूसरी बार रजी ट्रॉफी जीती।

रजी ट्रॉफी लेम्पियन के नाते अप्रैल सन् ४८ में होलकर टीम ने मीलोन का अंगासकीय दौरा किया।
